

Order form for microbiological analysis

Customer number:

Company name:

Address:

Postal code & city:

Contact person:

E-mail address:

Telephone number:

Date of sampling: **Temperature sample:**

Time of sampling: **Date of production:**

Name sample taker: **Expiry date:**

Place of sampling: **Storage temperature:** 4°C / 7°C / Ambient / Frozen

Sample description: **Variety:**

Country of origin: **Grower:**

Sample code: **GGN/GLN:**

Supplier: **Parcel:**

Traceabilitycode: **Urgent:** Yes / no

Required microbiological analysis

- | | |
|---|---|
| <input type="checkbox"/> Aerobic plate count 30°C | <input type="checkbox"/> Alicyclobacillus plate count |
| <input type="checkbox"/> Yeast / mold plate count | <input type="checkbox"/> Campylobacter spp / 25 gram |
| <input type="checkbox"/> E.coli plate count | <input type="checkbox"/> EHEC (STEC) / 25 gram |
| <input type="checkbox"/> Enterobacteriaceae plate count | <input type="checkbox"/> Salmonella / 25 gram |
| <input type="checkbox"/> Coliforms plate count | <input type="checkbox"/> Listeria monocytogenes / 25 gram |
| <input type="checkbox"/> Bacillus cereus plate count | <input type="checkbox"/> Listeria monocytogenes plate count |
| <input type="checkbox"/> Staphylococcus plate count | <input type="checkbox"/> E.Coli / 100 ml |
| <input type="checkbox"/> Legionella pneumophila | <input type="checkbox"/> Enterococcus spp. / 100 ml |
- Microbiological standard package (TPC, Entro, SA, Y&M)
- HACCP package (TPC, E.coli, Entro, Coli, SA, Y&M, Sal/25g, Lis.m./25g, BC, STEC/25g)
- 4 Fresh package (E.coli, EHEC/25g, Sal/25g, Lis.m./25g)

Required diagnostic analysis

- | | |
|--|---|
| <input type="checkbox"/> Diagnostic: _____ | <input type="checkbox"/> Mold: _____ |
| <input type="checkbox"/> DNACheck: _____ | <input type="checkbox"/> Nematodes: _____ |
| <input type="checkbox"/> Bacteria: _____ | <input type="checkbox"/> Viroid: _____ |
| <input type="checkbox"/> Virus: _____ | <input type="checkbox"/> Insects / mites |

Remarks / other analysis:

If you want a independent sampling, please contact us at samplecollect@agrocontrol.nl or call +31 15 257 25 11.
